

Corporate ESH Policy *(Since 2008)*

CBM Pte Ltd (CBM) is committed to being a socially responsible and environmentally friendly organisation that advocates a “Safe and Green” corporate culture. In this regard, the Security, Engineering and Environmental divisions as well as all supporting divisions shall take every practical effort to ensure effective Environment, Safety & Health (ESH) management in its operations.

CBM cares for the environment and its stakeholders. We will continually strive towards conserving resources and preventing pollution. We are also committed to preventing workplace injuries and illnesses, and promoting healthy living at our workplace.

The CBM Management shall ensure compliance to legal and other relevant requirements, and evaluate our ESH performance periodically to strive towards continual improvements in our operations.

Roy Chiang
CEO/President
