

PROJECT NAME:

**Environmental Services for
Grand Copthorne Waterfront Hotel**

Project Location:
392 Havelock Road

Name of Client:
Grand Copthorne Waterfront Hotel
Singapore

Background :

Situated along the banks of the historic Singapore river, Grand Copthorne Waterfront Hotel is a 5-star 30-storey hotel perfectly located near to the commercial, cultural and entertainment districts of the island.

Grand Copthorne Waterfront Hotel has 550 elegantly decorated rooms, 46 furnished offices, 34 meeting rooms, 11 state of the art conference rooms and conference centre which provides 6,200 sqm of meeting & event space including a pillarless ballroom for 1,00 guests.

The hotel's sixth floor houses a 20-meter (65 ft) outdoor lap pool and spa tub, two tennis courts and a fitness centre which offers pool café and gymnasium. The hotel also has a café restaurant with an outside terrace facing the Singapore river.

Hotel facilities include:

- Business centre
- Fitness centre
- Conference rooms

GFA: 46,663 sqm.
