

PROJECT NAME:

**Environmental Services for
SIA T3's premium lounges**

Project Location:

Changi Airport Terminal 3

Name of Client:

Singapore Airlines

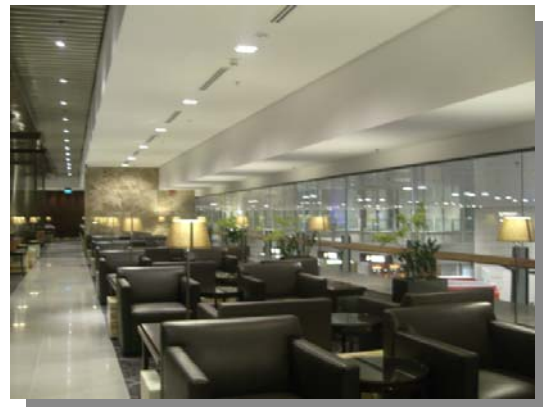

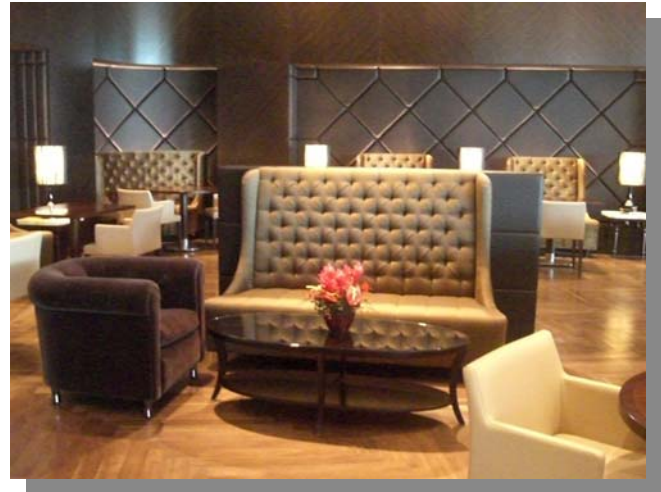

Background :

SIA's new luxurious haven at Changi Terminal Airport Terminal 3 is comprised of its exclusive First Class Check In and premium lounges, SilverKris and KrisFlyer Gold.

SIA SilverKris lounge offers relaxed and calm ambiance in its 4,200 square meters of luxurious space. It's a Wi-Fi enabled facility with 36 internet stations and workstations with dining areas, food service counters, bars, television areas, showers, washrooms as well as nursing rooms. CBM ensures that the world class facilities welcome its passengers into a first-class comfortable environment at all times.

Located at level 3, SIA's KrisFlyer Gold lounge offers a relaxed & calm greenery experience from its water features and natural skylight.

GFA: 6,883 sqm
