

PROJECT NAME:

**Integrated Facility Management Services for
Singapore Workforce Development Agency**

Project Location:

1 Marina Boulevard

Name of Client:

Singapore Workforce Development Agency

Background :

One Marina Boulevard is a 38-storey office building situated in the central business district of Singapore. This \$110mil worth of property is a Grade A building and its basement offers retail spaces. There is a total of 209 parking lots in this building.

The National Trades Union Congress (NTUC) occupies floors 11 to 14 in what is known as "NTUC Centre." Amongst the amenities in this centre are meeting and training rooms, a customer service centre, as well as a 600-seat auditorium. Other major tenants include TCC, Allen & Gledhill and Microsoft Singapore.

GFA: 48,302 sqm.

Award: Certificate of Merit in the Best Building Design Awards, under the Commercial and Office Buildings category.
